

Mountain Kids Daycare

A safe place to have fun, learn and grow

At Mountain Kids Daycare, we provide a safe, nurturing, and engaging environment where children thrive through hands-on learning and play-based exploration. Our thoughtfully designed programs support growth at every stage—from infancy through school age. With caring, experienced staff, a themed monthly curriculum, and strong parent communication, we offer more than just childcare—we create a supportive community where families feel confident and children build a strong foundation for lifelong learning.
